

[illegible]

Technical drawing of a metal structure, likely a gate or shutter, with overall dimensions of 3060 mm width and 1560 mm height. The drawing includes the following components and labels:

- 1**: A horizontal component on the left side, possibly a handle or support.
- 2**: A vertical component on the right side, possibly a handle or support.
- 3**: A circular component on the right side, possibly a wheel or pulley.
- 4**: A circular component on the right side, possibly a wheel or pulley.
- 5**: A horizontal component on the right side, possibly a handle or support.
- 6**: A vertical component on the right side, possibly a handle or support.
- 7**: A circular component on the right side, possibly a wheel or pulley.

Additional labels and dimensions:

- HOZZÁFOLYÁS D200 KPE**: A label indicating a connection or flow, with an arrow pointing right.
- ELFOLYÁS D200 KPE**: A label indicating a connection or flow, with an arrow pointing right.
- A**: A label indicating a section or cut, with an arrow pointing up.
- 3060**: The overall width dimension.
- 1560**: The overall height dimension.
